Recommendation Letter

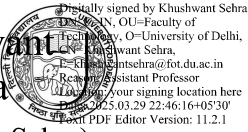

I am pleased to recommend Nishant Gupta, a diligent and motivated student pursuing B. Tech in Computer Science Engineering (Enrolment No.: 23DOCEBTCS000115) at the Faculty of Technology, Delhi University, for an internship at IIT Tirupati.

Nishant has a strong academic foundation and a deep interest in Artificial Intelligence and Machine Learning. His enthusiasm for research and innovation is evident in his ongoing work on a research paper focusing on neuro cancer detection using Explainable AI. This project demonstrates his ability to apply AI techniques to real-world medical challenges, emphasizing interpretability and trust in AI-driven healthcare solutions.

Additionally, Nishant has showcased excellent problem-solving skills and technical proficiency through his coursework and projects. His passion for AI and commitment to learning make him a valuable candidate for this internship opportunity.

I strongly endorse Nishant for this position and believe that his skills and research experience will allow him to contribute meaningfully to your esteemed institution. Please feel free to contact me for any further details.
